THE MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI S. KRISHNA KUMAR): (a) to (d) In the second meeting of Indo-Moroccan joint commission held in New Delhi on 26-27 June, 1995 sectors identified with potential for joint ventures and co-operation between two sides included, inter-alia, non-conventional energy sources. On the request of Govt. of Morocco, an Indian expert was deputed to Morocco from December 25—31, 1994 for advising the Moroccan Government on intensive use of solar cookers in Morocco. The visit of the expert generated a lot of interest in the field of renewable energy. In his report, the expert has mentioned that the environmental conditions of Morocco are very appropriate for extensive use of solar cookers and related technology and Indian design of solar cooker is more suitable for them. The report also mentioned that Indian solar cooker and hybrid solar cooker can fulfill the cooking requirements of Moroccan people in the target areas.
